

# WINE LIST

## Sparkling Wines

Sparkling wine & Champagne are some of the most diverse and interesting wines made in the world. They are not only intended to be had for celebrations but to have at the table with food. Please enjoy our small but well selected list of sparkling wines... And remember escargot and Champagne together can save humanity.

## Lighter to Medium Bodied Reds

This selection of wine varies from light and fruit forward to aromatic, complex and medium weight wines. Don't be afraid of grapes and regions you've never heard of... If you are used to Oregon Pinot Noir try some Burgundy or Swiss Pinot Noir. For something different try a St. Laurent from Austria or a Gamay from Beaujolais!
